ARE BA BA LELENG BANA

Mmele wame ke wame ke Lenaneo le le itebagatseng le go thibela/ go emisa kgokgontsho ya bana.

Mo ionaneneong le, go dirisiwa ditshwantsho tse di kgatlhang bana, kgotsa “dipopae”, le dipina .Go dirilwe jalo go tlhofofatsa go anamisa molaetsa wa thibelo kgokgontsho ya bana, gore le bone batle ba tlhaloganye.

Maduo/ ditlamorago tsa kgokgontsho ya bana mo ngwaneng yoo amegileng le mo setshabeng di dikgolo, jalo thuto ke yone fela e ka thibelang/ femang, le go thusa baba amegileng.

Ke tlhomamisa gore lenaneo le, le nale maduo, ka le setswe le lekeleditswe/ go rutilwe bana baka tshwara dikete dile makgolo a mararo le masome a matlhano, ko Amerika (USA). Jalo, go tsibogela go ruta bana ka go tlhokomela mebele ya bone go ka tlisa maduo a a, amogelesegang.

Molemo wa lenaneo le ke gore, le dirilwe ka tsela ee bulegileng, go tlhofofatsa puisano ka dikgang tsa kgokgontsho le bana, le gore mongwe le mongwe yoo nang le keletso ya go ruta bana ka kgang e, e ka nna: morutabana, mma boipelego, motsadi, kana ope fela moitlhaopi a kgone go dira jalo.

..“O Bua Jang Le Bana Ka Kgang Ya Kgokgontsho”?

Batsadi ka bontsi ga ba gololesege go bua le bana ka dikgang tsa kgokgontsho. Go itebaganya le ban a ka tsela ee pharologanyo, e e ka ba okang, e ka tlisa maduo a mantle. Moopelo oo kgathisang ebile ona le molaetsa, o o dirisitsweng mo lenaneong le, o tla thusa go tlhofofatsa gore dithuto tse, di tswelele sentle

“Goreng Mmino/Dipina”

Bana ba tsaa molaetsa sentle, le ka bofeso ga go dirisitswe dipina. Jalo go botlhokwa go ba ruta ka dipina gore ba tsee molaetsa. Ke dumela gore le gompieno bagolo ba santse baka gakologelwa dipina tse baneng ba diopela mo bonnyenyaneng jwa bone. E bile thuto e e tla nna mosola le mo bokamosong jwa bone.

Tshekatsheko ee dirlweng, e akaretsa bana, ebile e dirwa ka mmino, ka go supagetse, fa mmino o na le seabe sese golo mogo rotloetseng kafa motho/ngwana a itebang ka teng, le go tsholetsa serite sa gagwe.

“Lenaneo Le ,Le Dirisiwa Jang”?

DIRA GORE LO KGATHISE –

Dipina tse, di monate ebole dia kgatlhisa, ka go dirisitswe ditshwantsho “dipopae”, ka ketelopele ya motshameki wa leina la “CYNTHIE”. “O tswanetse wa opela, wa bina le Cynthie gore bana ba utlwe mafoko le molaetsa gore ba seka ba lebala.” Qiniseka ukuba uyigcina ilula.

“DIRA GORE GO NNE MOTLHOFO” -

Gago botlhokwa go ruta bana, phetelela ka kgokgontsho, ba rute ka go balekanyetsa - “BA TSHWANATSE GOITSE GORE:

Gagoope yoo tshwanetseng go go tlhokofatsa.

Gagoope yoo tshwanetseng go tshwara dikarolo tsa gago tsa bong.

Gagoope yoo tshwanetseng go tsaa ditshwantsho/ dinepe tsa dikarolo tsa gago tsa bong.

Ga ona le mathata, bolelela mogolo yoo moratang.

O seka wa didimala fa gona le mongwe yoo tshwarang dikarolo tsa gago tsa bong.

Bolelela mongwe ga o kgokgontshwa ke bangwe.

“DIRA GORE GO NNE LE BOLENG/ MOSOLA” -

Moono/ kgang kgolo ke gore bana ba ithata, le gore ba ikutlwlele ba babasegile go bua, fa bana le bothata.

Go ka nna molemo gore, morago ga thuto nngwe le nngwe bana ba tshwantshe se ba se tlhalogantseng, ba bue, kgotsa ba kwale ka sepe se sesa ba jeseng monate.

Mmele Wame Ke Wame - Maikaelelo:

Go ruta bana gore ga goope, yoo nang le tletla ya go ba tlhokofatsa kana go tshwara dikarolo tsa bone tsa bong.

Go botlhokwa go ruta bana gore mebele ya bone e botlhokwa. Ba supegetse, gore dikarolo tse go buiwana ka tsone ke dife, gape baitse gore ke tsa bone fela.

Go Botlhokwa Gape Gore O Baitsitse Gore Batsadi BAKA Tshwara Dikarolo Tsa Bone, Gago Tlhokafala Jaaka:

1) Ga ba santse bale ba botlana, ba a tlhapiswa.

2) Ga ba fiwa kalafi ke ba bongaka, botsadi kgotsa batlhokomedi, ga go tlhokega. Bana le tshwanelo yago tsaa kalafi ka bo bone, ga bana le bokgoni jago dira jalo.

3) Baoki baka tshwara dikarolo tsa bone tsa bong gago tlhokega, mme ba tshwanetse gore babo bana le batsadi nako tsotlhe.

Ga gona nako epe fela ee leng gore baka letla ope go tshwara dikarolo tsa bone tsa bong. Ba tshwanetse go itse gore ba gane “NNYAA” ga ba ikutlwela, basa gololesege. Se se tla bathusa gore ba nne le boikarabelo ka mebele ya bone.

Go supega fa, go feta diphesente tse di masome a fera bongwe (90%) ya dikgang tsa kgokgontsho ya bana, e dirwa mo malapeng, ke masika aba a itseng, ebole ba batshepa. Go diga serite, e bile go thokofatsa ngwana ga a felelwa ke tshepo mo mothong yo a mo kgokgontshang. Jalo ngwana o tshwanetse a, itse ga a babalesegile, ebole gona le bangwe ba aka ba tshepang a bua le bone bamo reetsa.

Go Nna Le Diphiri

Bakgokgontshi ba bana baitse ga bana, ele batho baba mothofo go reetsa ga ba boleelwa gore ba dire sephiri.

Jalo go botlhokwa gore ba rutwe gore ba seka ba nna le sephiri le ope.

Go ruta bana ba santse bale ko tlase go botlhokwa, gore ba seka ba nna le diphiri dipe, bogolo jang tsedi ba tlhokofatsang, tsa go phorwa phorwa.

Bana Ba Tshwanetse Go Itse Gore, Ga Kgokgontsho E Ka Diragala:

- *Ga ba molato.*
- *Gase bone baba dirileng gore go nne jalo.*
- *Go botlhokwa gore ba bue gore kgokgontsho e fele.*

Gakologelwa gore mokgokgontshi e ka nna motho yoo botlhokwa mo botshelong ja ngwana, a motshepa kana a morata. Jalo o tshwanetse wa buisana nae ka kelotlhoko.

Se supe tenego fa pele ga ngwana .Diga maikutlo o tsee taolo.

Tlhalosetsa bana gore, fela jaaka, badirise ba ditagi phetelela, bakgokgontshi ba tlhoka thuso le bone ka gore baabo base mo seemong sese siameng, gore batle ba emise kgokgontsho e, ke gore bathusiwe.

Dingwaga Tsa /Dipaka Tsa Tiriso Ya Ditlhaeletsano Tsa Maranyane

Mo dipakeng tsa gompieno tse tiriso ya maranyane/ enthenete eleng konokono, re tshwanetse ra sireletsa bana mo bathong baba ka lekang go ba tsaa dinepe/ ditshwantsho ba sa ikatlega. Sedimosetsa bana ka kgang e, gore ba gane ope fela yoo ka lekang go ba tsaa ditshwantsho.

Batho ba bontsha gore ba go rata ka go dira dilo tse ba itseng gore o a di rata go tshwana le go bala dibuka, go tshameka metshameko, go itumela, go tsamaya kgotsa go go ruta go pagama baesekele. Lerato le gohle ka go arogana le go kgatallana. Batswadi le batlhokomedi ba rona ba tlhomamisa gore ra tlhokomelwa, ba rejesa, ba tlhomamisa gore re hlapa meeno, mme le gore re na le diaparo tse di phepa go apara mme fa re lwala ba re isa ngakeng. Go botlhokwa thata gore re tlhokomelwe sentle gore re gole re itekanetse, re itumetse mme re na le maatla.

Lerato le bonolo

Lerato le bonolo

lerato le pelontle

Opela le rona mme o tla fihlela gore

Gona le dilo tse dintsi tse dintle tse re ka di dirang

Go bontsha lerato la rona

A o ka se mpalle polelo

Kgotsa re ye go kwa ntle go tshameka kgwele ya maoto

O ka nthusa go palama baesekele

Gore ke seke ka wa

Go na le dilo tse di ntsi

Tse re ka di dirang rohle

Go na le ditsela tse dintsi

Go bontsha gore re kgathala

Go na le di nako tse dintsi fa re ka boellanang gore ke ya go rata

Fa o na le nako arogana

Ke rata go e arogana le wena

Lerato le bonolo

Lerato le pelo ntle

Opela le rona mme o tla fihlela gore

Gona le dilo tse dintsi tse dintle tse re ka di dirang
